The novel coronavirus (COVID-19) is a respiratory disease causing illness that can range from very mild to severe, including illness resulting in death, and many cases of COVID-19 have been confirmed in the Commonwealth.

The Kentucky Constitution and Kentucky Revised Statutes, including KRS Chapter 39A, empower me to exercise all powers necessary to promote and secure the safety and protection of the civilian population. On May 6, 2020, I again declared by Executive Order 2020-316 that a State of Emergency continues in the Commonwealth and implemented the provisions of KRS 367.372, *et seq.*, as to the sale of goods and services to prohibit price gouging, and renewed such implementation by three subsequent executive orders. On July 6, 2020, I again declared by Executive Order 2020-579 that a State of Emergency continues in the Commonwealth and implemented the provisions of KRS 367.372, *et seq.*, and renewed such implementation by three subsequent executive orders. On September 14, 2020, I again declared by Executive Order 2020-776 that a State of Emergency continues in the Commonwealth and implemented the provisions of KRS 367.372, *et seq.* On October 26, 2020, I again declared by Executive Order 2020-899 that a State of Emergency continues in the Commonwealth and implemented the provisions of KRS 367.372, *et seq.* On November 9, 2020, I again declared by Executive
