The above-named entity was dissolved on 1/23/2021 because its period of duration stated in its Articles of Incorporation has expired.

Kentucky law states that an entity that has expired has a sixty day period to amend its organic document to extend or delete its period of duration. For the above entity, this period will end on 3/24/2021. After that date, the entity may not be reinstated, and shall liquidate its business and affairs in accordance with its organic act.

CERTIFICATE OF DISSOLUTION

After dissolution, an entity's name may be acquired by another entity. If this has happened, the amendment to the organic document must also contain a clause renaming the entity to a name that is available on the records of the Secretary of State.
