Re: WILLIAM F. FARRELL, P.S.C.

Dear: MR. THACKER:

A notice was forwarded to the above referenced corporation on JULY 9, 1987, informing the corporation that the Kentucky Revenue Cabinet had issued a notice of tax clearance, thus authorizing the corporation to complete its dissolution proceedings. The corporation was asked at that time to submit articles of dissolution in compliance with KRS 271A.465, along with a filing fee of \$15.00. These articles of dissolution have still not been filed.

(1) Articles of dissolution must now be filed in compliance with KRS 271A.460, or:

(2) The corporation may again become active by filing: A statement of revocation of voluntary dissolution, in compliance with KRS 271A.450, along with all back due annual reports. The fee for filing the revocation of voluntary dissolution is \$10.00.

Should the corporation now wish to file its back due annual reports and a statement of revocation of voluntary dissolution, and thus remain an active corporation, it should get in touch with this office to request that back due annual reports be forwarded. If the corporation does not wish to again become an active corporation, it should file articles of dissolution.

Please do not hesitate to let me know if this office may be of further assistance.

Sincerely,

*Ann Z. Stewart*
