Lets Stay Home

To whom it may concern,

My name is Jason Brice and I am starting a business that helps enable old or elderly people stay in their homes. I am providing services from the following: yard work, talking with my clients if they want some one to talk with, basic maintenance around their homes, help with household errands, help shop for groceries, and many more.

Lets Stay Home Company will not deal with medical or health care needs.

Thanks again for taking the time to help qualify my company.
