Re: **Society of Photo-optical Instrumentation Engineers**

Dear Ms. Stenhoff:

Pursuant to your request for a waiver, **Society of Photo-optical Instrumentation Engineers**, a business entity organized under the laws of California, is hereby granted a waiver under KRS 322.060(6) to use the name **Society of Photo-optical Instrumentation Engineers** in the Commonwealth of Kentucky.

This waiver is based upon your representation that you are an authorized agent for your company with the authority to make representations on behalf of that company, that the company is a professional membership organization, and that the company is not engaged in the practice of engineering as that term is defined in KRS 322.010.

Please provide the Kentucky Secretary of State's office a copy of this letter to assist in your filing for authority to do business in this state.

Sincerely,

Jonathan Doran Buckley  
General Counsel
