Pursuant to the provisions of KRS 275.285 and 275.315, the limited liability company executes the following articles of dissolution:

Article I: The name of the limited liability company is

DevForge Collectives LLC

Article II: This dissolution is pursuant to the following event: **there are no remaining members**

Article III: The event of dissolution identified in Article II occurred on the following date: **11/6/2024**

Article IV: This filing will be effective on **Wednesday, November 6, 2024**.

Article V: Additional information, if applicable, that the member(s) or manager(s) filing deem proper:

The dissolution of DevForge Collectives LLC is due to an administrative categorization error. The LLC was initially formed under a category that does not fully align with the current business structure and operational needs of DevForge Collective LLC. To ensure compliance and better alignment with the business's scope and objectives, a new entity has been created under the correct category. This dissolution allows the business to proceed under an appropriately structured and categorized LLC.

I declare under penalty of perjury under the laws of the state of Kentucky that the foregoing is true and correct.
