Pursuant to the provisions of KRS 275.285 and 275.315, the limited liability company executes the following articles of dissolution:

Article I: The name of the limited liability company is

Downrange Gunsmith L.L.C L.L.C.

Article II: This dissolution is pursuant to the following event: **upon the written consent of all members**

Article III: The event of dissolution identified in Article II occurred on the following date: **3/11/2025**

Article IV: This filing will be effective on **Tuesday, March 11, 2025.**

Article V: Additional information, if applicable, that the member(s) or manager(s) filing deem proper:

This was created by mistake. The original business I created is Downrange Gunsmith L.L.C. I have no idea how this double LLC occurred or happened. I mean when you think about it the system shouldn't allowed this to happen. I have been doing IT for the last 30yrs (mid 90's). Whoever did the programming for this software you are using needs to fix this bug. They just cost me 40 bucks. Not cool.

I declare under penalty of perjury under the laws of the state of Kentucky that the foregoing is true and correct.
