Article V: Additional information, if applicable, that the member(s) or manager(s) filing deem proper:

**I US postal mailed in App on 3-20-25 Heard nothing nor did I find app registered by 3-31 so as I then had my computer internet service back and your office suggested I file new app which would cancel mailed in one if they ever rec it. Name was still available. Next day I received a post card saying first app 1441148 was rec and processed, however day before I refiled on line 1443008 which was accepted. so calling back to clear up I was told to file dissolution for first one. Not a great way to start of a rapor with state of Kentucky!!! so here I.m again trusting your employee word and don't feel I owe the \$40 first app or the \$40 dissolution for a name you told me didn't exist due to transferring error.**

I declare under penalty of perjury under the laws of the state of Kentucky that the foregoing is true and correct.
