I applied online for a work from home job (Honest street llc) located in Texas. It was a part time job.Boxes getting delivered to my home and taking the order label uploading onto the dashboard(website) so i can get the shipping label and sending it off. They asked me if i wanted to get promoted and have my own business but they would send me the goods from there wear. Like belts, watches, skateboards and etc. I would ship peoples orders off to people ordering from Amazon eBay etc. I went to the bank and they said everything was good for me to open a business account but they asked me if i went on the secrecy of state to apply and payed for everything? But i didn't. I tried to ask my manager about to company and more question and told them i wasn't interested in it they replied back with they would get their company lawyer to revoke my license. This business (GOODAIS LLC) hasn't been active and isn't.

I declare under penalty of perjury under the laws of the state of Kentucky that the foregoing is true and correct.
