

Re: FEIN-611256314 Reason for Application

Unified Trust Company, N.A. is a company that is contracted by Employers to service their retirement plans. In which case, participants of these retirement plans may terminate services, retire, take hardships or misc. from their Employers which will create a distribution event. In a lot of cases these distributions have Federal Tax Withholding and possible State Tax Withholding.

Please Note: The Main Contact for our Tax Withhold Account will be as follows:
