Liability for Contribution

14. A Member's obligation to make their required Capital Contribution can only be compromised or released with the consent of all remaining Members or as described elsewhere in this Agreement. If a Member does not make the Capital Contribution when it is due, he is obligated at the option of the remaining Members to contribute cash equal to the agreed value of the Capital Contribution. This option is in addition to and not in lieu of any others rights, including the right to specific performance that the Company may have against the Member.

Additional Contributions

15. Capital Contributions may be amended from time to time, according to the requirements of the Company provided that the Members' interests are not affected, except with the unanimous consent of the Members. No Member will be required to make Additional Contributions. Whenever additional capital is determined to be required and an individual Member is unwilling or unable to meet the additional contribution requirement within a reasonable period, as required by business obligations, the remaining Members may contribute in proportion to their existing Capital Contributions to resolve the amount in default. In such case the allocation of Net Profits or Losses of the Company among all the Members may be adjusted to reflect the aggregate change in Capital Contributions by the Members.
16. Any advance of money to the Company by any Member in excess of the amounts provided for in this Agreement or subsequently agreed to, will be deemed a debt due from the Company rather than an increase in the Capital Contribution of the Member. This liability will be repaid with interest at such rates and times to be determined by a majority of the Members. This liability will not entitle the

lending Member to any increased share of the Company's profits nor to a greater voting power. Resolution of such debts may have preference or priority over any other payments to Members as may be determined by a majority of the Members.

Capital Accounts

17. An individual capital account will be maintained for each Member and their initial Capital Contribution will be credited to this account. Any Additional Contributions made by any Member will be credited to that Member's individual Capital Account.

Interest on Capital

18. No borrowing charge or loan interest will be due or payable to any Member on their agreed Capital Contribution inclusive of any agreed Additional Contributions.

Drawing Accounts

19. An individual drawing account will be maintained for each Member. Each Member will be entitled to draw against their share of the profits in such amounts and at such time as will be agreed by the Members. The drawing account is a temporary account and is expected to have a debit balance if there have been any withdrawals. At the end of each accounting year, the drawing accounts are closed by transferring the debit balance to each Member's capital account.

Compensation of Members for Services Rendered

20. Members will not be compensated by the Company for services rendered to or on behalf of the Company, except reimbursement for expenses directly related to the operation of the Company.

22. Only the following individuals have authority to bind the Company in contract: Jena P Johnson
Jacob F Clare.

Duty of Loyalty

23. No Member or Manager will engage in any business, venture or transaction, whether directly or indirectly, that might be competitive with the business of the Company or that would be in direct conflict of interest to the Company. Any potential conflicts of interest will be deemed an Involuntary Withdrawal of the offending Member or Manager and may be treated accordingly by the remaining Members. A withdrawing Member or Manager will not carry on a similar business to the business of the Company within any established or contemplated market regions of the Company for a period of at least 1 year after the date of withdrawal.

Duty to Devote Time

24. Each Member will devote such time and attention to the business of the Company as the majority of the Members will from time to time reasonably determine for the conduct of the Company business.

Member Meetings

25. Member meetings will be held at the following address, or any other location that the Members may from time to time designate: The Principle Office, 299 Albert elliott Rd, Auburn , Ky 42206.

28. There must be at least 100.00% of the Members present at a meeting for any decisions to be binding. If the minimum number of Members are not present at the meeting, actions may still be taken by the present Members if prior written consent of the absent Members has been obtained.

Admission of New Members

29. No new Members may be admitted into the Company.

Dissociation of a Member

30. Voluntary Withdrawal: No Member may voluntarily withdraw from the Company for a period of 3 months from the execution date of this Agreement. After the expiration of this period, any Member (the "Dissociated Member") will have the right to voluntarily withdraw from the Company at the end of any fiscal year. Written notice of intention to withdraw must be served upon the remaining Members at least 14 days prior to the fiscal year end. The withdrawal of such Member will have no effect upon the continuance of the Company business. If the remaining Members elect to purchase the interest of the withdrawing Member, the Members will serve written notice of such election upon the withdrawing Member within thirty (30) days after receipt of the withdrawing Member's notice of intention to withdraw, including the purchase price and method and schedule of payment for the withdrawing Member's interest. The purchase amount of any buyout of a Member's interest will be determined as outlined in the Valuation of Interest section of this Agreement. It remains incumbent on the withdrawing Member to exercise this right in good faith and to minimize any present or future harm done to the remaining Members as a result of the withdrawal.
31. Involuntary Withdrawal: Events leading to the involuntary withdrawal of a Member (the "Dissociated Member") from the Company will include but not be limited to: death of a Member; Member mental incapacity; Member disability preventing reasonable participation in the Company; Member incompetence; breach of fiduciary duties by a Member; criminal conviction of a Member; Operation of Law against a Member or a legal judgment against a Member that can reasonably be expected to bring the business or societal reputation of the Company into disrepute. Expulsion of a Member can also occur on application by the Company or another Member, where it has been judicially

determined that the Member: has engaged in wrongful conduct that adversely and materially affected the Company's business; has wilfully or persistently committed a material breach of the Operating Agreement or of a duty owed to the Company or to the other Members; or has engaged in conduct relating to the Company's business that makes it not reasonably practicable to carry on the business with the Member. The withdrawal of such Member will have no effect upon the continuance of the Company business. If the remaining Members elect to purchase the interest of the withdrawing Member, the remaining Members will serve written notice of such election, including the purchase price and method and schedule of payment for the withdrawing Member's interest, upon the withdrawing Member, their executor, administrator, trustee, committee or analogous fiduciary within a reasonable period after acquiring knowledge of the change in circumstance to the affected Member. The purchase amount of any buyout of a Member's interest will be determined as outlined in the Valuation of Interest section of this Agreement.

32. On any purchase and sale made pursuant to this section, a Dissociated Member will only have liability for Company obligations that were incurred during their time as a Member. Immediately upon purchase of a withdrawing Member's interest, the Company will prepare, file, serve, and publish all notices required by law to protect the withdrawing Member from liability for future Company obligations. Where the remaining Members have purchased the interest of a dissociated Member, the purchase amount will be paid in full, but without interest, within 90 days of the date of withdrawal. The Company will retain exclusive rights to use of the trade name and firm name and all related brand and model names of the Company.
33. In the event the remaining Members are unwilling or unable to purchase the interest of the Dissociated Member due to a voluntary or involuntary withdrawal from the Company then the Members will submit to mediation and, if necessary, binding arbitration for a final resolution. Valuation and distribution will be determined as described in the Valuation of Interest section of this Agreement.
34. The remaining Members retain the right to seek damages from a dissociated Member where the dissociation resulted from a malicious or criminal act by the dissociated Member or where the dissociated Member had breached their fiduciary duty to the Company or was in breach of this Agreement or had acted in a way that could reasonably be foreseen to bring harm or damage to the Company or to the reputation of the Company.

Buyout Agreement

35. In the event of a Member's interest in the Company becoming for sale, due to any reason, the remaining Members of the Company have a right of first purchase on the interest. The value of the interest in the Company will be determined as outlined in the Valuation of Interest section of this Agreement.

Assignment of Interest

36. A Member's financial interest in the Company can only be assigned to another Member and cannot be assigned to a third party.

Valuation of Interest

37. In the absence of a written agreement setting a value, the value of the Company will be based on the fair market value appraisal of all Company assets (less liabilities) determined in accordance with generally accepted accounting procedures. This appraisal will be conducted by an independent accounting firm agreed to by all Members. An appraiser will be appointed within a reasonable period of the date of withdrawal or dissolution. The results of the appraisal will be binding on all Members. A withdrawing Member's interest will be in proportion to their profit and loss share in the Company, less any outstanding liabilities a Member may have to the Company. The intent of this section is to ensure the survival of the Company despite the withdrawal of any individual Member.
38. No allowance will be made for goodwill, trade name, patents or other intangible assets, except where those assets have been reflected on the Company books immediately prior to valuation.

Dissolution

39. The Company may be dissolved by a unanimous vote of the Members. The Company will also be dissolved on the occurrence of events specified in the Act.
40. Upon Dissolution of the Company and liquidation of Company property, and after payment of all selling costs and expenses, the liquidator will distribute the Company assets to the following groups according to the following order of priority:
- a. in satisfaction of liabilities to creditors except Company obligations to current Members;
 - b. in satisfaction of Company obligations to current Members to pay debts; and
 - c. to the Members in proportion to their profit and loss share in the Company.
41. The claims of each priority group will be satisfied in full before satisfying any claims of a lower priority group.
