James E. Manning, PE, PLS
Executive Director

Daniel Gilchrist Guerand
3121 Popham Court
Lexington, KY 40509-8520

Dear Mr. Guerand:

Congratulations! Your Initial Professional Engineer (PE) Licensure request has been reviewed and approved under KRS 322.040. You have been assigned PE # 36644 current through 6/30/2023. A wall certificate reflecting this designation is enclosed. Your next step is to obtain the appropriate seal and/or stamp from an office supply company of your choice, as the Board does not do this for you. An information sheet is enclosed regarding seals and stamps. Our online Searchable Roster can be found at: <https://elsweb.kyboels.ky.gov/kweb/Searchable-Roster>. This will allow printing to show proof of Current License status and Expiration date.

Additional materials are enclosed to assist you in understanding continuing professional development (CPD), and requirements for a business entity permit. You are exempt from CPD hours through calendar year 2021. If your business will be offering engineering services it is REQUIRED they apply for a Business Entity Permit. Our online application can be found here: <http://kyboels.ky.gov/Getting-Licensed/Pages/Getting-a-Firm-Permit.aspx>

The renewal cycle for your PE license is on a biennial basis. The board provides a post card notifying you when it is time to renew. Please remember that it is your responsibility to provide the Board with any changes in your contact information i.e., home & work address, e-mail, phone number. Feel free to contact me with any questions or concerns at 800-573-2680 or melissa.kopp@ky.gov. Have a great day!

Sincerely,

Melissa Kopp
