Articles of Dissolution

LLD

Pursuant to the provisions of KRS 275.285 and 275.315, the limited liability company executes the following articles of dissolution:

Article I: The name of the limited liability company is

ÆOLUS MECHANICAL HVACR SERVICES LLC

Article II: This dissolution is pursuant to the following event: **upon the written consent of all members**

Article III: The event of dissolution identified in Article II occurred on the following date: **12/11/2024**

Article IV: This filing will be effective on **Wednesday, December 11, 2024.**

Article V: Additional information, if applicable, that the member(s) or manager(s) filing deem proper:

The company's LLC was supposed to be reinstated. A clerical error failed to include the comma after "Services," which acted to create an entirely new LLC in the same name as the old LLC, with the exception of the comma after "Services." The "new" company is being dissolved in order to allow reinstatement of the standing of the old company.

I declare under penalty of perjury under the laws of the state of Kentucky that the foregoing is true and correct.
