RE: *Banks Investments, LLC*

Dear Sir or Madam,

I represent the members of a proposed Kentucky limited liability company, Banks Investments, LLC. I understand that "Banks" is prohibited from automatic admission as a company name under OneStop because it is similar to the word "bank." Banks Investments, LLC is not intended to be a bank or any other kind of financial institution. Rather, the name is simply based on the name of one of the members' children. The company is meant to be a holding company for real estate and other assets.

Please advise as soon as possible whether this company name is acceptable. Thank you.

Very truly yours,

Taylor P. Sorrels
