Pursuant to the provisions of KRS 275.285 and 275.315, the limited liability company executes the following articles of dissolution:

Article I: The name of the limited liability company is

**CARE-MENTOR LLC**

Article II: This dissolution is pursuant to the following event: **upon the written consent of all members**

Article III: The event of dissolution identified in Article II occurred on the following date: **9/19/2024**

Article IV: This filing will be effective on **Thursday, September 19, 2024**.

Article V: Additional information, if applicable, that the member(s) or manager(s) filing deem proper:

**This LLC was opened at the advice of the UofL office of tech transfer to enable me (the sole member) to apply for STTR grants to commercialize IP owned by the UofL that I "invented". I am dissolving this LLC because over the years, it has served no purpose and just costs time and effort annually. (Although KY secretary of state does make the paperwork easy!).**

I declare under penalty of perjury under the laws of the state of Kentucky that the foregoing is true and correct.
