**June 22<sup>nd</sup>**

Member meeting started at 5:30 PM. Issues brought up by President Steve Peterson was a vote on bi-law change from previous conference, which would allow diversion investigators and intelligence analysis be able to join NDEOA. The new bi-law was read and put to the floor for a vote. All members voted in favor of the change so new bi-law is in affect.

General member discussion was about different ways to attract new members and locations for future conference. It was also talked about trying to get the DEA/Diversion agent to combine their training with our conference.

Members present were asked about training locations and the top 3 were Tampa Bay, Savannah and Vegas.

After more discussion about training and location a motion was made for the meeting to be adjourned. Motion was seconded and all members voted. No other new business.
