Articles of Dissolution

LLD

Pursuant to the provisions of KRS 275.285 and 275.315, the limited liability company executes the following articles of dissolution:

Article I: The name of the limited liability company is

ARROW ENERGY LLC

Article II: This dissolution is pursuant to the following event: **there are no remaining members**

Article III: The event of dissolution identified in Article II occurred on the following date: **12/4/2024**

Article IV: This filing will be effective on **Wednesday, December 4, 2024**.

Article V: Additional information, if applicable, that the member(s) or manager(s) filing deem proper:

This entity was setup in August of 2022 with the intent to do business in 2023 and beyond. The business venture never got started and the LLC lay dormant since its inception. No business was ever conducted under the name of Arrow Energy LLC, nor was any income ever generated, nor any liabilities ever accrued. Filing dissolution in hopes that the State of KY understands that no business was ever conducted and asking that any penalties for non-filing of tax returns would be waived/nullified considering the circumstances.

I declare under penalty of perjury under the laws of the state of Kentucky that the foregoing is true and correct.

Signature of individual signing on behalf of **Member: Charles Stacy**
