Re: Request for Waiver for:
Collins High School Robotics & Engineering Booster Club, Inc.

Dear Ms. Embry:

Pursuant to your request for a waiver, **Collins High School Robotics & Engineering Booster Club, Inc.** is hereby granted a waiver under KRS 322.060(6) to use the name **Collins High School Robotics & Engineering Booster Club, Inc.** in the Commonwealth of Kentucky.

Based upon your representation that your company is not a provider of engineering services to others, and is solely an association of individuals who share an interest in the field of robotics and engineering, you will not need a business entity permit from our agency.

Please provide the Kentucky Secretary of State's office a copy of this letter to assist in your filing for authority to do business in this state.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jonathan Doran Buckley".
