## REPENTANCE, GOD'S LAW, AND

## THE REPUBLICAN NATIONAL CONVENTION

I warned in a sermon back in 2023 that there would be an attempt to accommodate abortion and legitimize homosex in the Republican Party platform. And now it has happened.

The new platform removes the goal of a Human Life Amendment to the Constitution replacing it with the words – **“Republicans Will Protect and Defend a Vote of the People, from within the States, on the Issue of Life.”**

Understand, this means a total abandonment of what a Republic is by the Republican Party. A Republic is founded upon law – the Republicans have now handed the preborn over to the mob – *one group of people voting to murder another group of people.*

Understand also – that every state so far that has held such a vote – *the people have voted to murder the preborn.*

This is an abandonment of the rule of law. This is an abandonment of the preborn.

The new platform also removes the declaration that *“traditional marriage and family, based on marriage between one man and one woman, is the foundation for a free society,”* and also removes the demand for the “reversal” of the U.S. Supreme Court’s 2015 Obergefell opinion that declared the marriage between those of the same sex to be legitimate.

Have you noticed over the decades that as we vote for the lesser of two evils, the lesser of two evils just keeps getting more evil?

Now the lesser evil has gotten more evil again with these platform changes.

We need to realize – we cannot join with evil to stop evil. We must quit voting for the lesser of two evils by voting for men who openly impugn the law of God. We must put Christ first - and honor the law and Word of the Lord.

**We do not bring about good and stop evil by brazenly impugning the law of God.**

Christians should not vote for murder or for homosex – and that is what we are doing when we vote for men who embrace such evils. We should fear God and stop voting for men who openly impugn His law.

**I warn you on this.**

“But things will get worse if we don’t vote for the Republicans!” Truth is - *they have been getting worse while you’ve been voting for the Republicans.*

Things have been getting worse and they’re going to continue to get worse if you continue to vote for men who openly impugn the law of God regarding the massive national sins and crimes of shedding innocent blood and the filth of homosex.

King Asa in 2 Chron. 16:7-10 looked to wicked men to help him win – and what did the Lord say to Asa through the prophet for doing that?

**“My wrath is upon you.”**
