All state agencies shall provide sufficient personnel required for the staffing of the Kentucky Emergency Operations Center or other command, control, and coordination points as may be designated by the Division of Emergency Management's Director and shall provide such personnel, vehicles, equipment, and other resources needed to protect life and property and to ensure continuation, restoration and recovery of essential public services.
5. The Finance and Administration Cabinet is directed to provide assistance with incident/disaster resource management, procurements and contracting and to fund the urgent operational and/or response of the Division of Emergency Management and the unbudgeted expenditures and obligations of other state agencies that are incurred in response to and recovery from this emergency incident and in executing the provisions of this Executive Order.
