EXECUTIVE ORDER

Secretary of State
Frankfort
Kentucky

2024-446
June 25, 2024

STATE OF EMERGENCY

Beginning on May 26, 2024, and continuing, a powerful severe weather system generating heavy rain, tornadoes, large hail, continuous cloud-to-cloud lightning and intense damaging winds impacted the Commonwealth of Kentucky, creating dangerous conditions, including flooding, flash flooding, mudslides, landslides, and subsequent damage to public infrastructure, utility distribution systems, and private properties;

These conditions endanger public health and safety and/or public and private property;

State and local governments share responsibility for protection of public health, safety, and security as well as for the protection of public and private property and for taking appropriate actions to ensure the provision of essential public services;

On May 26, 2024, I declared by Executive Order 2024-379 that a State of Emergency existed in the Commonwealth of Kentucky. On that same day, I signed Executive Order 2024-380 to declare a State of Emergency to implement the provisions of KRS 367.372, *et seq.*, to prohibit price gouging as to the sale of goods and services related to the May 26, 2024, and continuing, severe weather event, and I renewed implementation of those statutory provisions in Executive Order 2024-418 on June 10, 2024;

Under KRS 39A.090(2)(b), the State of Emergency declared under Executive Order 2024-379 may exceed 30 days if requested by a chief executive officer or a legislative body of a local government only for that local government and only for the period of time requested by the chief executive officer or legislative body;

Forty-seven (47) County Judge/Executives, six City Mayors, and one Mayor of a Consolidated Local Government have written letters requesting that I extend the state of emergency under Executive Order 2024-379, as well as Executive Order 2024-380 as extended by Executive Order 2024-418, through September 30, 2024. These letters are attached to this executive order and are adopted and incorporated by reference herein;

The State of Emergency continues;

NOW, THEREFORE, I, Andy Beshear, Governor of the Commonwealth of Kentucky, by virtue of the authority vested in me by the Constitution of Kentucky and by KRS Chapter 39A and KRS 151.200, do hereby declare that a State of Emergency continues to exist in the Commonwealth of Kentucky, and do hereby Order and Direct that Executive Order 2024-379, and Executive Order 2024-380 as extended by Executive Order 2024-418, be extended through September 30, 2024 in the following local jurisdictions:

The extension of the executive orders is crucial to Barren County as we recover from the from the severe weather that brought damaging winds and tornadoes to the Commonwealth. With the amount of damage and vegetative debris on our county roadways and rights-of-way, it is not feasible to end the State of Emergency as debris removal will take several weeks.
