SECRETARY OF STATE

City of Barbourville
Attn: Mayor Thompson
196 Daniel Boone Drive,
Barbourville, Kentucky 40906

Dear City of Barbourville:

I would like to take this time to thank the citizens of Barbourville, my fellow council members and all City of Barbourville employees for allowing me to be their City Councilman for 28 years. As I look around the City of Barbourville today, I am extremely proud of the positive changes and accomplishments we have achieved through my time.

It has been with great honor to serve the citizens of Barbourville. I am immensely proud that over the last 28 years they have entrusted me with the responsibility of helping guide this community for the betterment as a whole.

Unfortunately, it is now time to step away from my civic duty and resign from my position as Barbourville City Councilman as I am dealing with personal, and legal issues. It is with great sadness that I am stepping away from this role, but I wish nothing but the best for my fellow City Council members as well as my replacement. I know the City of Barbourville is in great hands. I am therefore resigning my position as City Council member effective March 22, 2021.

Very Truly Yours,

Calvin Manis
