Dear Orla:

This is to confirm the information given to you by telephone last evening.

According to the Legislative Research Commission, on February 27, 1867, Berryville was incorporated. On March 15, 1869, the name was officially changed to Berry Station. There has been no documentation recorded that would indicate a change from Berry Station, Kentucky to Berry, Kentucky.

I hope this information will benefit you. If I can be of any further assistance to you or the Council, don't hesitate to call upon me.

Sincerely,

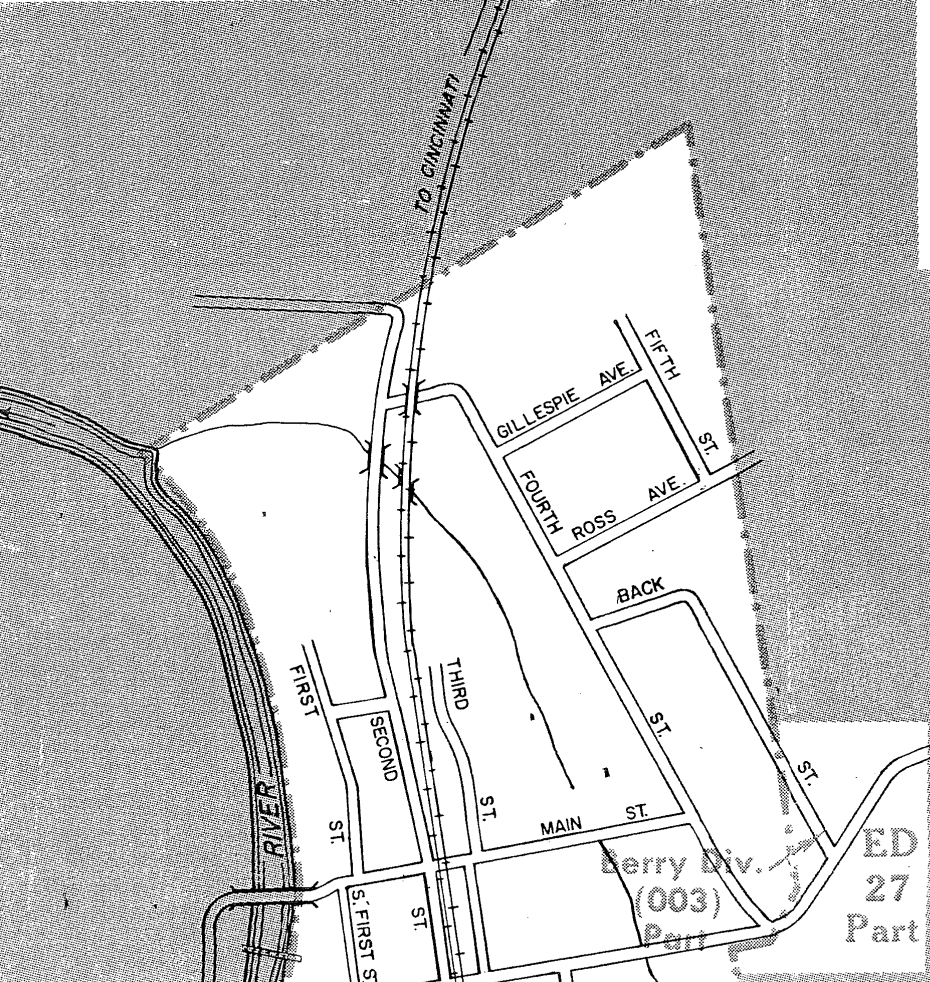

A handwritten signature in dark ink, appearing to read "Ed Ford".
