RE: Mayor and Commissioner Vacancy

Dear Secretary Walker:

Pursuant to the Kentucky Revised Statutes, the City of Bowling Green is providing your office with notice of a vacancy in the office of Mayor and a probable vacancy in one of the commission seats. As you are aware, your resignation effective January 29, 2011, to accept the appointment as Secretary of State created the vacancy in the mayor position. The City has on its next agenda a proposed municipal order appointing Commissioner Joe Denning to fill that term until a special election in November. If that municipal order is approved, the City will then have a vacancy on the Board of Commissioners, which will also need to be filled in a special election in November.

If you have any questions, or if you require any additional information, please let me know.

Very truly yours,

CITY OF BOWLING GREEN

H. EUGENE HARMON, City Attorney
