RE: Bowling Green, KY Past Annexation Ordinances

Dear Kandie:

As you are aware in light of recent discussions regarding the interactive map on the Secretary of State's website, it was discovered that an annexation ordinance from the City of Bowling Green was unmapable. To remedy this situation, the City prepared and adopted an updated legal description and map per your instruction and in compliance with the 2004 KRS mapping requirements.

Enclosed is a certified copy of Municipal Order No. 2011-175 adopting the modern and accurate legal description of territory previously annexed by Ordinance No. BG83-37. A certified copy of Ordinance No. BG83-37 in its entirety is also attached.

If you have any questions or if we can ever be of assistance to you, please do not hesitate to let me know.

Sincerely,

Katie Schaller
Assistant City Manager/City Clerk
