Re: Letter of Intent

I do formally request that my name be considered for the vacant counsel seat. My name is Karen McGill Curl, I live at 541 Seventh Street, Corydon, Kentucky. I have been a resident here in Corydon for many years and at one time was a councilmember on the Corydon City Council, I was secretary and treasurer for the Happy Days Committee, and I would like the consideration to help make better decisions for the benefit of our community. I would like to help find ways to create a sense of community involvement between all of the residents as well as the council and mayor. I would like to see this town develop as much as possible not just for my family but for everyone that lives here. I would like to continue to see the tax payers dollars go to work to create activities to keep our youth strong, so they may be allowed a brighter future.

I would like to be able to help in the process of decisions to better our community, and to help in the growth of this great community, I call home.
