My name is Scott Rideout and I am writing a letter of intent. I wish to be considered for the position as Councilman in Corydon, KY. As a resident of this great town I would like to be able to help in the decision making process to better our community. I would like to help in community events as well as finding ways to make all the residents of Corydon proud to call this town home. I would like to help find ways to create a sense of community involvement between all of the residents as well as the council and mayor. I would like to see this town develop as much as possible not just for my family but for everyone that lives in it. I would like to continue to see the tax payers dollars go to work to create activities to keep our youth out of trouble.

Thank you for your consideration

Scott W. Rideout
