Re: City of Glenview Hills

Gentlemen:

Please be advised that the Sixth Class City of Glenview Hills has appointed John Abramson to replace George Welch as Mayor. Mr. Welch found it necessary to retire from this position and accordingly gave his notice of resignation effective December 31, 1987.

At our January meeting the Board undertook the selection and appointment of a new Mayor, and the results of their efforts culminated in the selection of Mr. Abramson. I have advised Mr. Abramson that it will be necessary for his name to appear on the ballot in November to fill what will then be an unexpired one year term of the present Mayors' position.

If there should be any questions concerning this matter please contact the undersigned.

Very truly yours,

R. ANDREW DIXON  
City Attorney
