RE: Correction Map of City boundary

Dear Ms. Adkinson

As per our telephone conversation concerning the city boundary on Krestview Street, Enclosed is a re-surveyed map of the area in question. This map re-affirms the Rolling Hills area is not in the city limits. The map submitted to the state on April 16th, 1980 shows the boundary, but not with such detail.

If you have any questions or comments, please do not hesitate to contact me at (606) 474-6651.

Sincerely

Cindy Stratton
