RE: Incorrect City Boundary  
City of Hebron Estates  
Bullitt County, Kentucky

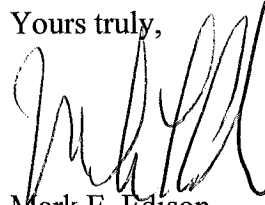

Dear Ms. Anderson:

The City of Hebron Estates, Bullitt County, Kentucky is considering an annexation of adjoining property, however, the employed surveyor has advised that the city boundaries contained in your web site are incorrect.

The City of Hebron Estates was originally created by Order of the Bullitt Circuit Court on February 14, 1984, which appears to be the description that your office has been using. However, due to an error by the original surveyor the boundaries were changed by a Nunc Pro Tunc Order entered on January 31, 1995 (copy enclosed with map) which may never have been forwarded to your office.

Please change your records to correct this error.

Yours truly,

Mark E. Edison  
City Attorney
