Dear Mr. Rogers:

This is in reply to your communication to the Department of the Treasury, concerning recent annexations to Hopkinsville.

Enclosed is an official statement which provides the 1970 population count for Hopkinsville, which includes the population in the areas annexed through November 20, 1973. A copy of the official statement is being sent to the Secretary of State.

This figure is based on the maps provided to the Bureau of the Census for the 1974 Boundary and Annexation Survey and is subject to change, pending clearance by the Kentucky State Certifying Official for boundary changes. If the annexations are certified, the revised population count and per capita income will be given in early summer 1974 to the Office of Revenue Sharing, Department of the Treasury, to be included in the fifth entitlement period.

If we may be of further assistance please let us know.

Sincerely,

(Signed) Daniel B. Levine
