RE: City Map Update

Dear Sir,

It has come to my attention that the City of Prestonsburg has been remiss in filing it's annexation ordinances and updated maps with your office. I have had our engineer prepare a map showing all of the areas that we have annexed in recent years and I am enclosing certified copies of the ordinances. There may be some overlaps with previously filed maps and ordinances. If there is any problem with the enclosed material, please contact me so that we can correct it.

Yours very truly

Paul P. Burchett
City Attorney
