SECRETARY OF STATE

To: Mayor John Evans

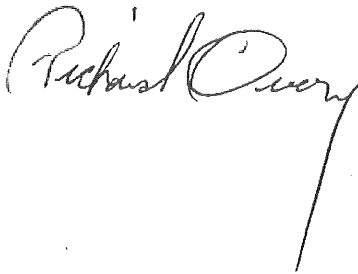

From: Richard Overy

Mayor Evans, I regretfully request that you accept my resignation from the Prospect City Council as Councilman. I have many personal activities that prohibit me from participating in the requirements of the City Council that I believe are required. Those activities include Treasurer of Christ Church United Methodist, Mission activities, Board and volunteer of Prodigal House Ministries and Grandchildren.

I have appreciated the position and am confident that a new council person can be appointed that will better serve Prospect City Council.

Thank you for your leadership and support.

Richard Overy
