**NEW LEGAL DESCRIPTION OF THE BOUNDARY
OF CITY OF RUSSELL, KENTUCKY ANNEXATION ORDINANCE 15-1988
(PREPARED NOVEMBER 9, 2015)**

The purpose of this New Legal Description is to correct the ambiguities in the original Legal Description found in Annexation Ordinance 15-1988 resulting from missing calls and calls using verbatim recitations of calls from boundary descriptions taken from various deeds with various north reference datums, which created a description that would not close, and with certain lines in the description having no calls at all. This New Legal Description has been prepared from the mapping of the properties that were incorporated into the Ordinance as shown on the "PROPOSED ZONING / ANNEXATION AREA" map prepared by G.F. Boyd, who was the City of Russell Administrative Manager at the time of the Annexation. The said map was incorporated into the Ordinance by Section III of the Ordinance. The Calls for the New Description have been prepared from the lines of the boundaries of the various properties as taken from the mapping of the deeds as placed onto Kentucky Geospatial Aerial Mapping downloaded from the Kentucky website:

(END OF RUSSELL ANNEXATION ORDINANCE 15-1988 BOUNDARY DESCRIPTION)

This Annexation Area Boundary description is based on public record research of deeds and plats found in the Greenup County Clerk's office and is not intended to comply with Standards of Practice for Surveying in the Commonwealth of Kentucky found in 201 KAR 18:150. The boundary information was taken from adjacent deeds and recorded plats found in the Greenup County Clerk's office. The irregularities in the connection of the various deed descriptions depicted from various North Datum orientations were adjusted to follow reasonable geometric matches with the Aerial Photography used. Where obvious discrepancies or omissions were found in recorded deed calls they were corrected to fit the adjoining boundaries and landmarks visible in the Aerial Photography. The Aerial Photography was used as the Base Map for the accompanying drawing of the "CORRECTIVE MAPPING OF THE MAP OF THE CITY OF RUSSELL, KENTUCKY ANNEXATION ORDINANCE 15-1988" as it was originally adopted by the Russell City Council on December 27, 1988. The Calls for this Corrective Annexation Boundary as depicted herein were produced from the boundary lines as mapped onto the Aerial Photography and the Bearing System for those Calls were oriented to the North Datum of the Aerial Photography used for this description.
