RE: City of Russell, Kentucky

Dear Sir:

I am the attorney for the City of Russell, Kentucky. We want to comply with KRS 81.045. The name of my City is Russell, Kentucky. The City was incorporated on February 2, 1874 and presently the City of Russell is a Fourth Class City. The only portion of KRS 81.045 that I cannot comply with at this date is the present boundaries. Please advise if you need a plat of the boundaries or a legal description of the boundaries and I will then have our surveyor prepare the proper document.

Thank you in advance for your assistance and cooperation.

Yours very truly,

DANIELS, ARMSTRONG, CANTRELL & HATFIELD

Dear Mr. Armstrong:

In response to your letter of June 15, 1981, concerning the city of Russell, Kentucky, we do need some indication of the city's boundaries. Either a current map or a legal description of the boundaries will suffice. Most cities have found it much easier to submit a map.

I will retain your letter and wait for the arival of the boundary document. When we receive it, the city of Russell will be in compliance with KRS 81.045.

If our office can assist you further on this matter, please do not hesitate to let me know.

Sincerely yours,

Eugene W. Harrell
