Re: Shively Vacancies in office and Certification of Administration of Oath of Office

Dear Ms. Shelburne,

Please be advised that Shively Councilwoman, Sharon Baker, passed away on November 16, 2022, creating a vacancy in office on the Shively City Council through the end of her term December 31, 2022.

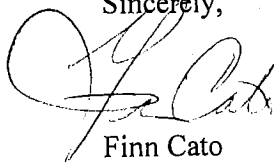

Ms. Baker also ran for re-election to the Shively City Council and was re-elected in the recent general election which creates another vacancy in office on the Shively Council beginning January 1, 2023.

On November 21, 2022, the Shively City Council appointed Ms. Symera V. Oliver Talbott to fill the current vacancy through December 31, 2022. Enclosed is a copy of the original Certification of Administration of Oath of Office administered to Ms. Talbott in compliance with KRS 118.305(7), 83A.040(8) and 62.020(2)(d).

Beginning January 1, 2023, the Shively City Council intends to fill second vacancy for the seat Ms. Baker would have otherwise held after her recent re-election.

Thanks very much for your attention to this matter.

Sincerely,

Finn Cato  
Shively City Attorney
