SECRETARY OF STATE

To The Mayor & City Council

It is with deep regret I submit my written resignation from The Sturgis City Council.

It has been an honor and privilege to serve with you, as well as represent the voters in the City of Sturgis.

The reasons for this resignation are many, I will not go into detail. I feel the time is now to relinquish my seat, and hope the replacement cares as much as I do.

Good Luck to you all.

Thank You
