RESOLUTION

A RESOLUTION ADOPTING A MODERN AND ACCURATE LEGAL DESCRIPTION OF TERRITORY PREVIOUSLY ANNEXED BY ORDINANCE.

WHEREAS, the City of Vine Grove has enacted numerous ordinances annexing property into the corporate limits of the City of Vine Grove; and

WHEREAS, each individual annexation contains a prior survey oft prepared by now unknown individual, and further references documentation that is no longer in existence; and

WHEREAS, the City wishes to provide a modern, accurate, easily identifiable legal description reflecting bearings and coordinates based upon the state plane coordinate system, including relevant GPS and GIS data, same having been certified by a professional land surveyor for each prior annexation; and

WHEREAS, the City wishes to comply with the requirements of Amended KRS 81A.4 70 effective July 13, 2004 and,

WHEREAS, the City does not intend to amend or replace its prior ordinance annexing, but rather to interpret the defined boundaries of the territory previously annexed and adopt a modern and accurate legal description of territory previously annexed.

WHEREAS, The City Council believes that the Hardin Circuit Court approved the proposed annexation, and further that the annexation was not rejected by the property owners in the annexed territory, in that no objections were found in the city's or the county's records.

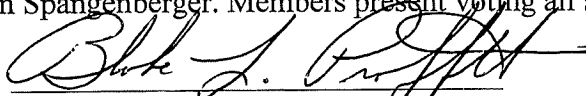

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF VINE GROVE, KENTUCKY:

SECTION 1. That the City Council of the City of Vine Grove hereby adopts the following legal description, and plat attached hereto as prepared by Douglas Johnson, Licensed Professional Land Surveyor No. 3300 by new survey as an accurate depiction of the property previously annexed into the corporate city limits of the City of Vine Grove by Ordinance dated February 4, 2013, a copy of which is attached hereto as Exhibit "2", and hereby adopts said new legal description and plat as the official legal description and plat to be adopted by the City for all purposes when referencing this prior annexation.
